ALLIED MEMBERSHIP

The Allied Membership is designed for those who share professional relationships with architects - to provide essential information, education, and networking opportunities to contribute to your professional success and satisfaction in working within our local design and building community.

Allied Members are any professionals working directly with Architects, including but not limited to consulting engineers, consulting designers, construction professionals, and building material manufacturer’s representatives.

Member benefits:

// Member rates at all events
// Notification of all AIA Greenville events, monthly membership meetings, lunch presentations, lectures, continuing education opportunities, etc.
Why partner with AIA-Greenville?

The American Institute of Architects (AIA) is a professional society of architects, established more than 140 years ago as a national organization. AIA works to promote the value of the architectural profession and to advance the living standards of people through an improved built environment.

AIA membership by-the-numbers

- 80,000 nationally
- 1,000 state-wide
- 300+ local members
- 40-65 average event attendance

This organization is a large and active voice in the architectural community. AIA Greenville unites the community of design professionals by providing resources, knowledge, and connections to those who live and work in the Upstate region.
